MUDDER PRO TIPS

ARRIVAL INFO

Leave a little bit of extra time when arriving for your start wave. This will allow you enough time to get ready to warm up before you take on the course. Please bring cash, there will not be a cash machine on site.

HEAD CAM*

If you're planning on wearing a head cam, please put your name and address inside the casing. Take it off and hold onto it for all obstacles featuring water. It will come off.

**While we endeavour to retrieve and send back as many head cams as possible, the nature of our obstacles and unidentifiable nature of the cameras make this very difficult. You are taking your head cam onto the course at your own risk.*

START TIMES

Please check your allocated start time [here](#). It is important you stick to your assigned start time. The first start wave on Saturday is 9am and Sunday 9am, the last start wave on Saturday is 2.15pm and Sunday 11.15am.

FINISHER EXPERIENCE

Once you have your headband and are across the finish line, please take your time to enjoy all your rewards. Along with a choice of either 4 Pines Brewery beer or Coldstream Cider you will also receive your Merrell finisher shirt.

Please make sure you collect all your finisher rewards; once you have exited the finish you will not be allowed back in.

MEETING POINT

Please prearrange a meeting point with all spectators and participants in your group. Duration out on course may vary and mobile coverage is often unreliable. We suggest the Bar Tent, it makes a great place to catch up with your friends.

BAG DROP* - PLEASE BRING \$5 CASH

Please take only your necessary requirements into the base area (car keys, ID, wallet, towel). Put all your team's belongings together in one bag to reduce your waiting time at collection.

**Your belongings are left at Bag Drop at your own risk. While Bag Drop is monitored all day, Tough Mudder cannot guarantee the security of your belongings.*

VOLUNTEERING

Still have friends that are on the fence? Tell them to volunteer, it is a great way to see what Tough Mudder is all about and they receive a discounted ticket for a future event. Find out more [here](#).

PHOTOS

A small selection of promotional photos will be available on the Tough Mudder AUS Facebook page the night of the event.

Photos of you out on course will be made available through an email to you, by Gameface Media, about a week after the event. Ensure to mark yourself clearly with your bib number.
